

Table of contents

Assessing the efficiency of using a local hybrid of rye for broiler chickens aged 1–42 d, with emphasis on performance and meat quality <i>Georgeta Ciurescu, Andreea Vasilachi, Idriceanu Lavinia, Mihaela Dumitru, and Drăghici Reta</i>	5
Haemo-thermoregulatory response of wallowed and non-wallowed geese during low temperature humidity index <i>Ewuola Emmanuel Olubisi, Alegbejo Queen-Esther and Akinbola Elizabeth Toluwani</i>	22
Effects of dietary supplementation with herbal extract as methionine replacer on growth performance, meat composition, oxidative stability and liver gene expression in broiler chickens <i>Ilias Giannenas, Stelios Vasilopoulos, Stella Dokou, Theodora Papagrigoriou, Bhaskar Ganguly, Symela Savvidou, Georgios Symeon, Georgios Michailidis, Diamanto Lazari</i>	39
Effect of <i>Vernonia amygdalina</i> leaf meal on the reproductive indices of male rabbits <i>Adenike Adeyemi, Christiana Oloyede and Adedamola Adedotun</i>	63
The effects of diets incorporating natural source of tannins on laying hens' production performances and physical parameters of eggs <i>Gabriela Maria Cornescu, Alexandru Petru Vlaicu, Arabela Elena Untea, Tatiana Dumitra Panaite, Alexandra Oancea, Mihaela Saracila</i>	75
Semen characteristics and fertility response of crosses between white and black plumage indigenous turkeys under artificial insemination <i>Ewuola Emmanuel Olubisi, Olarinre Isiaka, Adagba Okiki, Abioye, Tope, Adeyemi Oluwaseun and Fabule Samson</i>	86
Effect of agro-industrial by-products on inflammation and oxidative stress using an in vitro cell model <i>Daniela Eliza Marin, Cristina Valeria Bulgaru, Gina Cecilia Pistol</i>	97
Potential and challenge assessment of tannin extracts from black tea in male rabbits fed contaminated diet by Mycotoxins <i>Aseel Adnan Abdulhussein, Mohammed Munis Dakheel, Jessica Quijada</i>	107
Development of dual-purpose cross for meat and egg production I. Growth performance and carcass composition of the crossbred chickens in comparison to the parent lines <i>Evgeni Petkov, Teodora Popova, Maya Ignatova, Vania Sharkova, Krasimir Dimov</i>	119

The effects of minor oilseeds cakes on rumen metabolism and productive performances of ruminants

Alexandra - Gabriela Oancea, Cătălin Dragomir, Ana Cișmileanu
